9th June 2025

Dear Parents and Carers,

During the fortnight of **16th June 2025 to 27th June** the school will be taking part in Fieldwork Fortnight. This is a geography initiative which encourages and fosters a love of fieldwork.

As part of Year 3 learning, the children will be carrying out a short local walk in Ecclesfield to explore whether litter is a problem in our area. They will be walking up and down the High Street to observe litter. They will assess the type of litter, the source of litter and the facilities available for disposing litter.

Each class will go separately on the morning of Wednesday 25th June 2025.

To carry out our fieldwork, we would really appreciate a few parent volunteers to support the supervision of the children.

If you are available to help, please respond to the **ParentPay** offer entitled "**Local Walk Volunteers**" or speak to your class teacher before **11.59pm on Monday 16th June 2025**. We will then contact you with further details. There is no charge for this visit.

We really appreciate your support and if you have any questions, please contact your child's class teacher.

Kind regards,

The Year 3 team
