Dear Parents and Carers,

I am writing to let you know about an exciting opportunity to support our Year 5 pupils in learning their times tables in a fun and engaging way.

As some of you may be aware, I make and share times table and other educational songs on YouTube which I promote on other social media platforms. I would like to begin filming a series of short videos to share on my social media accounts (MrWalkerMrWalker). The videos will feature myself on camera, with the class reacting or singing along to my times tables songs in the background. **The children's voices will be heard, but they will not be visible in the videos.**

This activity will take place during our normal learning time as we will already be practicing our times tables during maths lessons, and I hope it will help enhance their learning experience. My aim is to make learning times tables more engaging and enjoyable.

Please complete the **ParentPay** offer entitled "**Video Permission**" to let us know if you give permission for your child to take part or whether you wish them not to be filmed.

Kind regards,

Mr Walker
