ECCLESFIELD PRIMARY SCHOOL

Well done to all this week's Merit Award Winners!

A huge well done to all of the pupils who received certificates this week. It is great to see so many children showing fantastic examples of our learning mindsets; **Respect, Responsibility and Resilience**

Well done Ecclesfield Primary!

Last Friday, nine Y6 children took part in the EFL Utilita football competition. The children played against 5 other schools from Sheffield and even got to meet the footballer Djeidi Gassama from Sheffield Wednesday. The children were a credit to our school, not only with their football skills but their resilience, respect and responsibility shined through. Thank you to Mr Wells and Mr Tompkins for organising this special event.

Rocksteady Performance!

The children and staff really enjoyed the performance from Rocksteady this week!

If your child would like to learn to play an instrument through weekly band practises in school time, please register your interest using this link <https://forms.office.com/e/ejxejCHN1N>. Children can learn keyboard, drums, guitar or bass guitar for approximately £10 per week. The children will be featured in a Rocksteady performance at the end of each term!

What have we been learning this week?

Year 4 have been learning about the different vocabulary in Maths that can be used in worded problems. They have used their best detective work to find these words in problems and sort them into the operation needed to solve them before solving them as a group. We have been mightily impressed with all their mathematical knowledge this week and how hard they have tried.

Punctuality

Punctuality is extremely important so that your child has a good start to the school day. At registration time, the teachers share the plans for the day ahead and learning begins straight away. If a child is not in school on time they will not know the daily timetable and they will also be late in starting their learning.

Children arriving *after registration* will have to enter the school via the school office and will be registered as late.

Well done to FSIL, YIN, Y2OT and Y4L
who are our attendance winners this week.
Great work!
