Thank you to the parent for taking the time to pass this information on to school. Well done to Olly McGhie and Jack Plummer. We are very proud of you both!

What have we been learning this week?

Year 4 have been completing their double page spreads this week all about the digestive system. How do we promote good attendance?

Good attendance and punctuality habits are vital if pupils are to achieve their maximum potential.

Ecclesfield Primary School is committed to working with parents/carers and pupils to ensure that each pupil benefits from the academic, personal and social opportunities available to them during their years with us. In order to promote and recognise good attendance, we use a range of strategies;

Class attendance figures are shared with all the children and staff as part of Friday achievement assembly. There are rewards for the class with the highest attendance.

Improved attendance is recognised and rewarded in class by the teacher on a 1:1 basis and also with our inclusion and attendance team.

Daily Dojo points are also given to children who are in school on time.

Termly certificates are awarded to pupils with above 96.6% attendance.

98-100%	• Excellent - Children are accessing all learning opportunities
96-97%	• Good - Very few learning opportunities are missed
94-95%	• Risk of underachievement • Up to 10 school days absent in an academic year
92-93%	• High risk of underachievement • Up to 15 school days absent in the academic year
90-92%	• Severe risk of underachievement • Up to 19 school days absent in the academic year
<90%	• Extreme risk of underachievement • Upwards of 22 school days absent in the academic year

Well done to Y6KN who are our attendance winners this week. Great work!
