Well done to all this week's Merit Award Winners!

A huge well done to all of the pupils who received certificates this week. It is great to see so many children showing fantastic examples of our learning mindsets; **Respect, Responsibility and Resilience**

Panto Fun!

It has been a wonderful start to our festive season today as we have had the production of **Snow White** in our large hall. The children were enthralled by the acting and loved taking part in the fun. Thank you to everyone who has supported the school in making today special.

Punctuality

Punctuality is extremely important so that your child has a good start to the day. At registration time, the teachers share the plans for the day ahead and deal with any issues. If a child is not in school on time they will not know what is going to happen during the day and will also be late starting their morning tasks

Children arriving after **registration** will have to enter the school via the school office and will be registered late.

What does attendance mean?

Well done to Y2OT and Y4L who are our attendance winners this week.
Great work!
