Well done to all this week's Merit Award Winners!

A huge well done to all of the pupils who received certificates this week. It is great to see so many children showing fantastic examples of our learning mindsets; **Respect, Responsibility and Resilience**

A huge thank you to all of our families who attended parents' evening appointments last night. It was lovely to share the amazing things our children have been learning. Thank you also to the many parents who spoke so highly of the staff at Ecclesfield Primary School. We always appreciate your support.

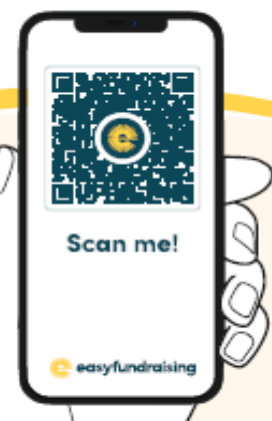

Please remember to park SAFELY!
Put child safety before your convenience

We have received notification today from the Royal British Legion that we raised a **HUGE £88.32** selling poppies in November 2024. Thank you to everyone who supported this great cause!

Book of the Week

Title: Children Who Changed the World

Author: Various

Genre: Non-fiction

What have we been learning this week?

Year 6 visited Crucial Crew last Friday. They had a fantastic and insightful opportunity to observe and learn about different areas of the law and safety. They shared their ideas and thoughts as groups and impressed all the staff with their exemplary behaviour.

They were a credit to our school!
Well done Y6!

Punctuality

Punctuality is extremely important so that your child has a good start to the school day. At registration time, the teachers share the plans for the day ahead and learning begins straight away. If a child is not in school on time they will not know the daily timetable and they will also be late in starting their learning.

Children arriving *after registration* will have to enter the school via the school office and will be registered as late.

Well done to Y2OT and Y4R who are our attendance winners this week. Great work!
