SPORTS DAY @ ECCLESFIELD PRIMARY

Sports day 2026 was a joyful celebration of teamwork, determination and school spirit from start to finish! Children cheered one another on in every race, from sprints to huddles, showing real encouragement and kindness on the track and from the side-lines. We were especially proud of the resilience on display. Slips and trips were shrugged off, shoelaces were retied and every child finished with a smile, determined to try their best. The field events gave pupils a chance to set personal goals and support classmates as they had a go. Throughout the day, house colours brightened the field and the respectful sportsmanship of "high-fives, "well done," and helping hands really stood out to the school staff.

Thank you to staff and volunteers for keeping events running smoothly and to families for their warm support from the side-lines. Thank you to the Friends of Ecclesfield Primary School for providing refreshments for spectators and ice pops for every child.

It was a positive, memorable day that captured what we value: being active, being resilient and being there for each other.

We can't wait to build on this momentum and return for an exciting sports day in 2027!

THE COLOUR RUN

Our first ever colour run which took place on Friday 20th June was a HUGE success with over 160 pupils participating, all of whom went home covered in multi-coloured powder!

Thank you to all of the parents, carers, volunteers, staff and children for making this event so much fun and at the same time, raising a large amount of money to support the family of the Y4 child.

The proceeds of the Friends of Ecclesfield Primary School refreshment stall were also donated to the cause along with money collected from the staff.

We are planning another colour run for next academic year so watch this space!
